Scope and Content

The collection contained assorted local history educational materials used by Franklin K. Butts in Poughkeepsie Schools. File 6 was originally item 8 in the collection. The original items 6 and 7 may have been the Holden Family Letters. These letters along with the 1775-1776 Amenia ledger were found near the Butts collection but these materials do not seem to have been related.

Provenance

The Collection was donated to the Dutchess County Historical Society by Franklin K. Butts in 1981.
