K. OF C. TO RAISE \$1,000,000 FUND Local Chapter to Assist National Body in Next Week's Drive E. A. CONGER IS CHAIRMAN

Having been officially designated by the War Department as the agency empowered to care for the social and moral welfare of the Catholic men of the army and navy, the Knights of Columbus, all over the United States have started a great drive for a \$1,000,000 fund. For the purpose of conducting the campaign in Poughkeepsie, a "War Activities Fund Committee" was formed here last week by the members of Florentine Council with E. A. Conger as chairman of the Finance Committee and a list of more than 35 prominent Knights of Columbus. The appeal issued by the Supreme Board of Knights of Columbus, which is the national headquarters of the Knights, is the most earnest and most far-reaching of the order in the New York Chapter jurisdiction. The national campaign week begins July 22, but already the drive has begun in this city, and plans are under way to make Poughkeepsie Knights' share in the war fund a notable contribution. All money collected by the various means contemplated, personal subscriptions, general canvassing and through entertainments, etc., will be used exclusively for the welfare of Catholic fighting men, whether members of the Knights of Columbus or not. The plan outlined by the Supreme Board contemplates the erection of cathole centers and suitable buildings for the celebration of mass in the sixteen cantonments to be established throughout the country, as well as the navy yards, forts and regular army expedition camps, and of furnishing priests both here and in the battle fields of Europe, and their maintenance while voluntarily engaged in this meritorious work. The catholic church has been allowed 33 1-3 per cent, of the chaplains for the new armies, but this number will not be sufficient to care for the catholic soldiers and sailors, who, it is estimated, will number 40 per cent of the total forces. The Knights of Columbus have therefore undertaken to provide a sufficient number of priests to care for the men in the training camps and in the trenches and on the battlefields. Recreation centers will also be provided for the men in the different cantonments. The members of the Finance Committee who are to be in charge of the campaign for funds here are: George J. Amato, James H. Beatty, Frank X. Burns, John W. Cusack, Dr. John H. Cotten, John A. Comerford, Edward A. Conger, Charles J. Corbally, John J. Doherty, Walter J. Davis, Louis DePaolo, John A. Flynn, John Hoffmann, John J. Hogan, James A. Kerr, James E. Lynch, Patrick W. Linmer, John Joseph Morshaus, John J. Miller, John E. Mack, Charles J. Miller, James D. Martin, Dr. C. J. McCarman, William J. McCourt, James H. Mullen, Jr., Joseph J. Maher, John Nevins, John Sullivan, Emmanuel Naville, Martin E. Ryan, George W. L. Spratt, James F. Sheedy, Joseph A. Shelly, John F. Tyan, Edward M. Timmins, James A. Tolland, John B. Wermuth.
